

## **Region 1 Spring Stump Shoot**

**April 20, 2024**

**14<sup>th</sup> annual Region 1 Spring Stump Shoot:** Anne and I will again host the shoot at our property in northwestern McLean County. Last year's weather was a little windy and we had to forgo the bow bird shooting. As always there will be, weather permitting, primitive camping available, a warming fire, bow bird shooting, 3-d target trail, a potluck and all the hunting stories you can tell. We also have the long distance target. Feel free to bring trade blanket item!

We will have a potluck meal on Saturday afternoon. If you are coming in on Friday and plan to camp please let us know. The weather will play a big role in what we will be able to do but we will HAVE FUN.

Bring field points and Flu Flus and maybe a couple blunts for the night coon shoot if you can stick around. Bring a lawn chair, seating is limited.

**Directions from Rt 150:** Take county rd. 1650E south (west side of Congerville, go about 2 miles) to E 2050 North. Turn right and go about a qtr. mile. Look for the UBI sign on the left hand side of the road.

**Directions from Rt. 9:** Take the Danvers Y turn off into Danvers. Take Old Peoria Road west to N 250 East Rd (right turn – watch closely or you will miss it). Go about 3 miles to E 2050 North and turn left (right turn will land you in the creek). Go qtr. mile and look for our UBI banner on the south side of the road.

**Note:** Address 2133 E 2050 North Rd. Danvers, Illinois 61732

**Contact Denny Hayford @ 309-840-2327** for more information.

**Traditional equipment only. Longbows, recurves, or selfbows. Carbon arrows ok.**
